PALESTINE, TEXAS, SEPTEMBER 15, 1903.

THE GOSPEL OF WORK.

President Elliott of Harvard is busy telling the world that a man cannot work too hard nor too long. What a fallacious doctrine!

Men can work too hard and too long, and they do. They work so hard and so long that they grow into sordid selfish slaves. They have no time for reflection, no time for mental or moral growth. They live the life of an ox, and, when the long toil is done they die in the harness.

Work is good for man; work is essential. But all work is not. The wrong conception of life has grown upon man, and this wrong conception is preached from the platform and the pulpit. Work, work, all work! True success in life is not in earthly gain. That man who has greatness of character and love for his fellow-man has achieved a much greater success in life than the selfish, sordid millionaire.

Success in life as is usually portrayed by those who break into print to tell the world about it, is in getting money; in slaving at the wheel.

Civilization must work out many mighty problems. One of the mightiest is that of labor, and a system so perfected that it will not dwarf moral and mental natures. It will come in time, day by day, nearer and nearer.

CHURCH OR STATE.

Judge John H. Reagan hands the Herald the following:

"The Visitor assumes that as to prohibition the moral question is for the preachers and the legal question for the courts, implying that there is no question for the people or for the legislation or the police authorities.

"It differs in this with Chief Justice Taney of the supreme court of the United States. In delivering his opinion in a case reported in the 5th Howard supreme court reports, page 577, he says:

"If any state deems the retail and internal traffic in ardent spirits injurious to its citizens, and calculated to produce idleness, vice and debauchery, I see nothing in the constitution of the United States to prevent it from regulating and restraining the traffic or from prohibiting it altogether, if it thinks proper.

"Chief Justice Taney was one of the ablest justices that ever sat on the bench."

The mighty has fallen. Chas. M. Schwab, the erstwhile president of the greatest corporation in the world—the steel trust—did not resign of his own will, but was fired. Charlie was foolish. Like many men called to exalted places, he could not stand the strain. The ostensible reason given for his "resignation" was poor health. The real reason was that the hundreds of stockholders of this gigantic corporation had become distrustful of its president. It was J. P. Morgan who secured this plum for Charlie, and it was J. P. Morgan who asked for his resignation. It is said Schwab's escapades in the Riviera disgusted Morgan, and when the "crazy American," as the Europeans termed Schwab, tried to break the bank at Monte

Carlo, and failed, Morgan thought it was enough and called him. Poor, frail humanity! How few of us can stand prosperity.

THESE be strenuous days in Palestine, and if you would keep up with all that is doing the next three days, you must hit the pike early and stay up late. No doubt there will be a healthy demand for bromo before the frolic is ended.

SLOCUM.

Special Correspondence.

SLOCUM, TEXAS, Sept. 13.

Editors Herald:

As there were no dots from our berg last week, will endeavor to give a few.

Health in our community is very poor at present; lots of sickness. However, only one death has resulted so far. The infant of Mr. and Mrs. George Raines died last Friday night. We extend to the parents our heartfelt sympathy.

Our young folks enjoyed an ice cream supper at the home of Mr. and Mrs. Alsbrook last night.

Prof. Hogan and a few of his class sang at Bethel today, and among those who attended from here were Misses Lottie, Ella and Ethel Denson, Ruby Day, Maude McCracken, Agnes Moore; Messrs. Claud Denson, Ed Alford, Walter, Stanley, M. Day, Joe and Sam Denson, Clarence Groer, Abe Alford, Arthur Bolton, Morgan Cockrel and Frank Denson. To express our pleasure would be impossible, therefore suffice it to say that all enjoyed themselves to the fullest extent and left saying they hoped to soon be with those good folks again. Many thanks for their hospitality.

Mr. and Mrs. Stanley passed through town this morning en route to the home of their son, one and one-half miles west of here.

We are glad to report that our phone line will soon be ready for operation.

Hello, Ripples! What is the matter with you? You remind me of a little sick kitten. Just crouch down in a corner and we never hear so much as "mew." Wake up! and cry out again.

Lets hear from you again, Constant. I think I can guess who you are, but you can't me, for I am only

Farmers' Union.

Important to the Farmers' Union of Anderson county:

I hereby call on association of the subordinate unions of the county to meet with Tennessee Colony Union No. 336 on Sept. 26th, 1903, at 2 o'clock p. m. In issuing this call I want to say to the fraternity that we have much to hope. The Union is taking on new life in many parts of the county, and this association has become absolutely necessary. We hope, and confidentially expect to have a strong delegation from each subordinate union, whether strong or weak; formal credentials are not necessary to this association. Arrangements have been made to care for delegates, so come along and bring your brainiest men with you as matters of importance to the union will be discussed.

Ladies and Children Invited.

All ladies and children who cannot stand the shocking strain of laxative syrups, cathartics, etc., are invited to try the famous Little Early Risers. They are different from all other pills. They do not purge the system. Even a double dose will not gripe, weaken or sicken; many people call them the Easy Pill. W. H. Howell, Houston, Tex., says nothing better can be used for constipation, sick headache, etc. Bob Moore, Lafayette, Ind., says all others gripe and sicken, while DeWitt's Little Early Risers do their work well and easy. Sold by Avenue Drug Store.

The county exhibits are arriving today, and those in charge are busy arranging the displays.

The Trinity Valley Land Co.,

of St. Louis Mo., has opened a branch office in Royall's Bank building, with C. Roe Hall, of this place, as manager, and will do a general real estate business. This company now owns 51,000 acres of unimproved lands in this and adjoining counties, all of which is for sale on easy terms to actual settlers.

The management of this office is familiar with land values throughout East Texas. The St. Louis office being in close touch with the northern buyers, who will have an opportunity to visit Texas at least once each month on a very low rate of transportation, there is no reason why vacant lands of this county should not begin to be improved materially in near future.

All who want to buy, sell or exchange real estate, in or out of city, are respectfully invited to call at office. ROOM 3, OVER ROYALL'S BANK. PHONE NO. 291. 12td w2t

One Minute.

Physical labor, as farming, clerking, etc., is honorable, but mental labor pays better. You can earn more through your brain than your brawn, more by using your head than your hand.

Don't you want a good salary? A steady one? One most likely to increase? Then come and take a course in Tyler College, Tyler, Texas. It costs little; it pays much.

Many of our recent graduates are earning \$75 to \$100 per month. With all respect to small, unknown schools and to those large ones that teach the old systems, we must say that you cannot afford other than the latest, the largest, the most noted—Tyler College.

The reputation of the school is yours. Already the best advertised, the best known, the best patronized in the south (and that is the test) what must we be in a few years?

CURED WHEN OTHERS FAILED

1056 Winnemac Avenue.
CHICAGO, ILL., Oct. 25, 1902.

Wine of Cardui can always be relied upon to cure when everything else fails. It is a certain cure for female diseases in their worst forms. I suffered for years with ulceration. Intense pains in the womb and ovaries and dreadful headaches afflicted me for my work. Finally I grew so ill that I had to keep to my bed. The pains were so intense at times as to cause spasms and a disagreeable discharge drained my life forces. In my extremity after all else had failed, I tried Wine of Cardui. After using it for two weeks I began to improve so rapidly that I felt encouraged to keep up the treatment, which I did for eighteen weeks, but at the end of that time I was entirely cured. What a relief was mine and how new and beautiful life looked to me when my health was restored. Only those who have passed through such a siege of sickness as I have will understand how much I value Wine of Cardui. It is indeed a boon to sick women.

Frances Mitchell
Secretary, North Chicago Women's Club.

Every weak woman needs Wine of Cardui. Wine of Cardui cures disordered and painful menstruation, periodical headaches, falling of the womb and leucorrhoea. It cures extreme cases of these troubles. It strengthens girls approaching womanhood, helps bring children to barren homes, makes pregnancy and childbirth easier, prevents miscarriages and is the best medicine ever made for use during the change of life. Why permit the good women in your home to suffer another day? Every druggist has \$1.00 bottles of Wine of Cardui.
